HIGHER THINGS INFORMATION AND FINANCIAL UPDATE:

At Higher Things Montana, our high schoolers will gather with approximately 1,000 LCMS youth from around the country & spend 4 days immersed in the Gospel through worship services,

breakout sessions, & plenary speakers. Youth will choose which breakout sessions to attend based on the topics that interest them the most! Traveling with our charter sleeper bus, we’ll make stops in the Black Hills, SD & at Yellowstone. Our biggest expense is transportation. The cost is about \$1,540 per person. We will be receiving a grant that will cover about 40% of the cost as well as the fundraising we have been doing all year (chili cookoff, Super Bowl sub sale, Easter breakfast, envelope giving wall), we have raised about 60% of the cost so far.

ENVELOPE GIVING WALL FOR HIGHER THINGS TRIP:

Help our youth get to Montana this summer for the Higher Things Youth Conference! Throughout the month of May, check out our Envelope

Giving Wall! There are 100 envelopes numbered 1-100. Our goal is to fill every envelope with the dollar amount indicated on the front which would raise a total \$5,050! Take an envelope, keep the card inside, and return the envelope to the church office with the amount indicated on the front of the envelope. Thank you for your support!

IN OUR PRAYERS

† Our Confirmands

† Tyler Grossman (Riley)

† Karson & Andrew Fensler on the birth of their son, Theodore Andrew. (Great-grandson of Arnie & Joyce Danner)

EMANUEL'S ENDOWMENT FUND: Since its inception, the Endowment Fund has provided more than \$1,211,465.00 from its earnings to enhance Emanuel's ministry. Contributions to the Endowment Fund are legacy gifts. Brochures about this fund are available in the narthex. **DID YOU KNOW?** During 2020, the Endowment Fund provided \$1,350.00 for an additional defibrillator.

A LIFE QUOTE FOR SUNDAY, MAY 15: "Christians are called to proclaim the truth, and that truth is clear: All life is valuable. Each member of the human race is vital. All lives are indispensable because of Christ." *Michelle Bauman, director of Y4Life*

A LIFE THOUGHT IN THE CHURCH YEAR FOR MAY 15: Don't abortion and physician-assisted suicide call common—or worse—what God the Lord has made precious (Acts 11:9)? And should the transitory sorrows of surprise pregnancy or terminal diagnosis blind us to the joy and hope He has invested in every human being (John 16:21)? May our witness to the sanctity of all human lives begin to wipe away the tears from all eyes (Revelation 21:4) with the Gospel of Christ's salvation!

LIFECARE CONNECTIONS

- **Wednesday, May 18 @ 6pm**, our grief support group will be meeting in the Family Life Center.

DURING THE MONTH OF MAY, we will be spotlighting a different character from the Hundred Acre Woods. This week's spotlight character is anxious Piglet. Did you know anxiety can be both helpful and

debilitating? Generalized Anxiety Disorder often begins in childhood. Women are twice as likely as men to develop an anxiety disorder and anxiety can increase your risk for health problems. Some symptoms of anxiety can be alleviated through exercise! Information sheets are available on the bulletin board next to the display case. Feel free to grab one and share with others.

"We rejoice with thankful hearts that you have been baptized and have received the teaching of the Lord. You have confessed the faith and been absolved of your sins. As you continue to hear the Lord's Word and receive His blessed Sacrament, He who has begun a good work in you will bring it to completion at the day of Jesus Christ."

LOCAL TEENAGER FIGHTS LEUKEMIA WITH COMMUNITY SUPPORT

Some might know Tyler Grossman from the local ballpark, hearing his name on the Highlight Zone, or maybe he delivered you dinner from the New Haven Domino's Pizza. Tyler, an Emanuel member, attended Central Lutheran School and graduated from Concordia Lutheran High School in 2021. He excitedly started Saint Francis as a freshman this year playing football for the team. Over the last year, he noticed a change in his overall health, losing over 50+ pounds in a relatively short period of time. Just a few months ago he was diagnosed with Acute Lymphoblastic Leukemia. Doctors started aggressive chemotherapy treatments on him weekly down at Riley Children's Hospital in Indianapolis. Tyler was advised to take a medical withdrawal from Saint Francis for this semester.

The TylerStrong Committee was soon formed to help consolidate fundraising efforts for Tyler and his family. His mom, Tammy, has taken a leave from her job to care for Tyler. **They will be hosting a**

"Party in the Park" to benefit Tyler at Schnelker Park on May 26, from 6-9 p.m. The fundraiser features music by JON DURNELL, drinks served by WINNER'S CIRCLE, pizza from DOMINO's, SNOWBIZ shaved ice, burgers, hotdogs, and more! Admission is FREE and everyone is WELCOME - We appreciate all food/drink purchases and donations to support Tyler. All proceeds go towards Tyler Grossman's fight against Leukemia. If you cannot attend the event please go to <https://gofund.me/301f83f6> to donate.

Tyler's treatments have not been easy on him as he entered round 2 of his Chemotherapy last week. He has been encouraged by recent test results that show that the treatments are working. Tyler and his family appreciate all of our community's generosity!
