EMANUEL LUTHERAN CHURCH

The Emanuel Witness

4KenyaKids (Compassionate Social Care Ministries) has an amazing opportunity and challenge. With the help of Orphan Grain Train (OGT) we are able to send a container to Point of Grace Academy in Kenya. Orphan Grain Train sends containers of equipment and needs all over the world as well as helping in many places around the US – especially in times of disaster or great needs.

The idea of teaching the school how to can and the availability of canning jars in Kenya started the process of connecting with Orphan Grain Train. Thanks to Pastor Foy from Valparaiso for his input and help in this. It is another step in giving the school a hand-up and not a hand out.

Now...the challenge. We need to raise money for the canning jars and supplies, and collect items that we can ship. On page 5 is a list of the items that are needed at Point of Grace, there is also a display that you can check out in the Fellowship Hall. Please see if there is something that you might be able to help with – these can be new items or perhaps tools that you no longer need or want. You are also able to contribute funds to purchase needed items. (Because of the shipping, we are NOT able to send used jars!) All items collected will be taken to Norfolk, Nebraska in October to be placed in a container and then shipped to Kenya. Orphan Grain Train will be providing the container and the cost to deliver the container to the school.

Filling this container is a joint effort of many that support 4KenyaKids.

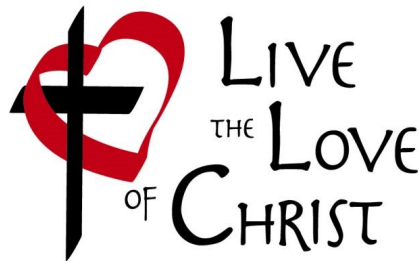

Our church can also help by gathering shoes for “Changing Footprints” these can be any type of shoes - new, used, or ready to be trashed. “Changing Footprints” is providing 800 pairs of tennis shoes and 800 pairs of flip flops or crocs to send on the container to Kenya. To thank them and to help them in their mission to supply shoes for those in need, we would like to collect shoes. Any shoes collected that cannot be repurposed are sent to Nike shoes to be shredded and used for school playground surfaces.

We will also be selling jewelry that the Neema beaders (mothers of children at Point of Grace) have made, as well as other items made by youth in Kisumu. These sales help support these mothers and families as well as contributing to the needs of the school.

If you have any questions – please contact Pastor Stecker, or Jim and Cheryl Brockmann.

A MOTHER'S JOY

Dear Members of Emanuel,

There are many memorable moments I experienced in Kenya this time around. It happens every mission trip that makes its way from Emanuel to Kisumu. I would like to share one of them with you.

It was well into our first week. In fact, it was Sunday. We had completed our three days of Vacation Bible School.. We had the opportunity to meet with the children and watch them do what they do after they attended worship. They cleaned their school. Brooms were sweeping, rags were wiping, and every child seemed to know what responsibility he needed to accomplish.

We segregated those children who were sponsored by members of Emanuel in order to share gifts from home. Afterwards, while the team continued to socialize with the kids, I wandered outside the classroom to meet up with one of the teachers. It was then that Pastor Meeker walked toward me with a woman who was noticeably emotional and moving with haste and a limp. As I was introduced to her she began to cry as she thanked me for the support of our church and in particular, the financial help being given to her son. I was a bit surprised to learn the sponsor just happened to be two members of our mission team.

She was a woman who was not able to care for her children for reasons I will not get into. And it was obvious while she was very happy to meet me, it was these team members who were at the center of her pursuit. I was blessed to be there when this woman met her son's sponsors who were still inside the classroom. Her tears of joy were contagious to all who watched as she embraced those who were responsible for giving her son the opportunity to be placed under the care of Pastor and Lorna Meeker and attend Point of Grace Academy.

I have never observed a more poignant example of the joy of giving than that moment. I instantly said a prayer. It was one of thanksgiving and hope that the sponsors continue to emerge so these children of Kenya may continue to be brought to the loving arms of Christ!

Your Servant in Christ,

Pastor Stecker

Each member of the 2018 Kenya Mission Team has been asked to submit a mini-testimonial (50 words or less), speaking of their experiences while serving in Kenya. See page 7 for the rest of the mission team's submissions.

PASTOR & CARLA STECKER: The joy of the children's response to us being there is indescribable. Many high school children asked us to thank everyone at Emanuel because they KNOW we love them. They feel our love by our \$ provisions that help provide the Gospel/education/uniforms, food, and. . .our journey to visit them. They are extremely grateful for all we do for them.

PASTOR DENNIS & LORNA MEEKER: Dear Brothers and Sisters in Christ, It is never easy to find the words to describe the special relationship God has established between Point of Grace, the Ogal Beach community, and Emanuel Lutheran Church, New Haven, Indiana. God's work is always so amazing! This younger than usual team had a way of showing our ages, but had a very positive aspect that was very special. With Christ always front and center: all Emanuel members were in our midst extending their hands of mercy. You can be very proud of your team and all the work they did on your behalf. VBS, a new home for an elderly widow, and a new chicken coup highlighted the many accomplishments of this team. The love of Christ extending blessings, changing lives and building relationships that will reach to eternity! God's blessings to you all!

Yours in Christ,

Pastor Dennis and Lorna Meeker

Ephesians 6:10-20

Stand Against the Devils

Rev. Dr. Walter Maier III

As believers, we are daily engaged in spiritual warfare against Satan and his fellow demons. The good news is that we can stand firm against these fierce and powerful enemies. The Apostle Paul tells us how and why.

September 9

Mark 7:31-37

Perfect Healing

Rev. Paul Shoemaker

When someone is ill, we pray for healing. The Good News that comes from God is that He may grant physical healing, but He always grants us perfect healing through Jesus.

September 16

Mark 9:24

Help My Unbelief

Rev. Dr. Daniel Brege

We as Christians believe in Jesus. This belief involves both knowledge and trust. Rightly, we turn to God in the face of trouble; however, at times our faith is eroded, attacked or challenged by the cares, problems, and philosophies of this world. We pray with the man in our text, "I believe, help my unbelief." Through His Word and Sacrament, our Lord indeed sends us the Spirit, so our faith is strengthened, and we rest and hope in the Savior.

September 23

Mark 9:30-37

Let God Be God!

Rev. Dr. Thomas Ahlersmeyer

"Why doesn't God do ____?" "Why would God allow ____ to happen?" Seeking a "new-and-improved-god" is an activity as old as time. Look and listen to Jesus to discover the true God ... and true greatness! Let God be God!

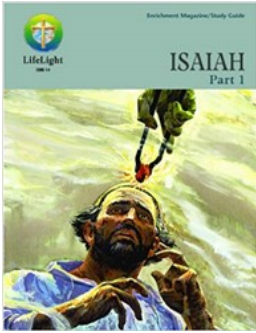

September 30

Mark 9:38-50

Belonging to Christ

Rev. James Elsner

Complain! Complain! Complain! Does that describe someone in your life? Does it describe YOU? Those who belong to Christ, though, have a different sense of faith and life. What's that look like?

WE ARE RETURNING TO LIFE

FOCUS ON HEALTH will be held at Central Lutheran School on Saturday, Sept. 15 from 7:30 to 11:00 a.m. The Parish Health Team will be assisting and we could use some added volunteers. This is an excellent community based health promotional event. Labwork can be done very reasonably and you can arrange to have the results sent directly to you. There will be community resources present. Please come out and see what it has to offer.

We will be setting up at 3:00 p.m. on Friday the 14th. If you have interest in volunteering for set up or any portion of Saturday morning, please contact Kathy Schaffer. We have need for medical and non medical volunteers. This will be the last day of these offerings for 2018 and we are anticipating a large attendance. Your 2018 Kenya Mission Team has completed their recent trip to Point of Grace. They have recuperated from their wonderful, yet long, journey home. Each will spend the rest of their life thinking about their experiences.

Each member of the Team was asked to write something to the congregation regarding their Mission trip. Dennis and Lorna Meeker were also asked to write something to Emanuel's congregation regarding the Team's time with them. We recommended short answers. You will be able to learn lots more by talking with the Team members, and during Mission Sunday on November 11, 2018. We are especially encouraging former members of past Mission Teams, & current sponsors of the children at Point of Grace to attend the festivities on November 11.

TIFFANY HERMAN: You could feel God's presence when you walked onto the campus of Point of Grace, talked with the staff, and hugged the children. Worshipping with our brothers and sisters in Christ, and taking communion with them was a highlight. As we walked along the dirt roads to visit people in their homes, in what seemed like the middle of nowhere, I thought - God is even here!

COURTNEY LOSHE: I would like to first thank God for the wonderful, life-changing experience that the 2018 Kenya mission trip was for me. Second, I would like to thank the congregation for sending our team to Kenya and for all of your thoughts and prayers while we were there. I cannot wait for when we bring all of our experiences to share with you on mission Sunday!

BRANDON LOSHE: I encourage others to support this mission, and even consider going on future trips. Pray that Emanuel members will sponsor a child. These children are very deserving and never ask for more than needed. We, along with Point of Grace, are grateful to our congregation for their prayers.

AMANDA GRAHAM: Kenya will always have my heart. I went on this trip thinking that I would help the children there; little did I know that they would change me forever. The humbling journey opened my eyes to all the possibilities we all have to serve one another. If you ever have a chance to go on or support a mission trip, I strongly encourage you to consider it. You won't ever regret helping others.

SHANNEN COLTER: This mission trip has shown me that a lack of possessions can leave room for faith, that a small home can build a strong community, and that a close relationship with loss does not mean that we cannot love fearlessly. To play a small role in such a place as Point of Grace is an honor, and I am so grateful for the experience.

VICTORIA FOX: I was amazed by both the children and the staff. The children are all so engaged and eager to learn. The staff are so devoted to the children. It is unlike anything I've ever experienced. You can feel the impact of God's love there.

CHAD FOX: Our congregation can do so much to help Point of Grace Academy. The needs at the School outnumber the amount of words allotted here! For having nothing of their own to show the world, most of the people we met seem to have much more than we do. I believe they are more genuine, more appreciative, more enjoyable, and have more FAITH than most of the people I know.

JOHN COLTER: 1. The power of God is more than we can imagine. 2. Pure joy from children needs no translation. 3. Sometimes, the simplest gestures are the most transcending. 4. Do not merely LISTEN to the Word. DO what it says. 5. We're all Marching to Zion together.

STEPHANIE SCHNEIDER-DAWSON: My time in Africa was an amazing experience. Everyone I met was so welcoming and thankful for our presence. "It takes a village to raise a child" could not be more true. The Staff at Point of Grace treats each child as if they are their own. The children are taught confidence to succeed, unconditional love, and to trust in the Lord.

WE ARE BRINGING THE MISSION HOME TO EMANUEL because WITH GOD, ALL THINGS ARE POSSIBLE!

Life House will then distribute the kits to needy individuals who are currently homeless . A complete list will be available in the coming weeks.
